

Thing

The diagram consists of three main components. At the top right, there are two overlapping rectangular boxes, each containing an asterisk (*). Below these, and to the left, is a larger rectangular box containing the word 'Thing' in a bold, sans-serif font. A line extends from the bottom-left corner of the 'Thing' box, connecting to the top-left corner of a large rectangular box at the bottom. This bottom box has a folded-top-right corner and contains text in a monospaced font.
