

**Thing**

The diagram consists of three main components. At the top right, there is a large rectangular box with a thick black border containing the word "Thing" in a bold, black, sans-serif font. Above this box, there are two smaller rectangular boxes, also with thick black borders, each containing an asterisk (\*). One is positioned directly above the top-right corner of the "Thing" box, and the other is to its right. A diagonal line connects the bottom-left corner of the "Thing" box to the top-left corner of a larger rectangular box at the bottom. This bottom box has a thick black border and a folded-top-right corner, containing the text "Abstraction for: User, Group, School, etc..." in a black, monospaced font.

Abstraction for:  
User, Group, School, etc...
